Memorandum

To: Richie Sgrignoli
Fund Administrator
Management-Labor Pension Fund Local 1730 I.L.A.

From: Brian Lehman
John P. Urbank

Date: October 9, 2023

Re: Estimated Allocable Share of Unfunded Vested Benefits as of December 31, 2021 for Yellow Corporation

As requested, we have estimated the allocable share of unfunded vested benefits for employer Yellow Corporation, the parent company of New Penn Express and Roadway Express, Inc. We have assumed the two employers are part of a controlled group, and therefore provided the liability and payment schedule on a combined basis.

This estimate is based on the latest actuarial valuation as of January 1, 2022 and therefore a date of withdrawal during the year ending December 31, 2022 is assumed. As indicated in the January 1, 2022 valuation report, the impact of Special Financial Assistance will be recognized in future actuarial valuations. Based on the January 1, 2022 valuation results, the unfunded vested benefits for withdrawal liability purposes as of December 31, 2021 amounts to \$71,006,701.

This estimate is for illustrative purposes only. It is our understanding that Yellow Corporation withdrew in 2023, which resulted in a mass withdrawal for the Fund. This calculation represents the liability for this employer's withdrawal from the Fund in 2022. Since this estimate is not for a 2023 withdrawal or a mass withdrawal calculation, it should only be used for informational purposes and could be significantly different. Fund Counsel's review and interpretation of the law and regulations should be sought concerning this issue.

Based on the above and the presumptive withdrawal liability method, the estimates for Yellow Corporation are as follows:

Estimated Allocable Share of Unfunded Vested Benefits as of December 31, 2021	Amount Excused Due to De Minimis	Estimated Net Allocable Share of Unfunded Vested Benefits as of December 31, 2021*
\$65,891,164	\$0	\$65,891,164

**Does not reflect any adjustment that may be applicable due to the application of the 20-year cap in accordance with ERISA 4219(c)(1)(B).*

October 6, 2023
Page 2

We have also estimated a payment schedule of \$54,905.00 per quarter payable as a perpetuity for the initial withdrawal liability and redetermination liability based on a mass withdrawal in 2023. The 20-year cap under ERISA 4219(c)(1)(B) is not applicable for a mass withdrawal. The quarterly payment amount is based on the highest contribution rate of \$1.71375 per hour in the 10 years ending with the date of withdrawal and the highest 3-year average consecutive hours from 2013 through 2022.

Please note that actual base units for 2013 and 2014 were not provided and were estimated instead. As an estimate for those years, the actual hours for 2015 were multiplied by the ratio of Yellow's contributions in the plan year to Yellow's contributions in 2015 that are indicated in the Appendix. The quarterly payment amount could be significantly different if the actual hours for 2013 and 2014 or the highest contribution rate are different. In addition, the number of quarterly payments for the payment schedule may be significantly different when the initial withdrawal liability, redetermination liability and reallocation liability under a mass withdrawal are finalized. Fund Counsel's review and advice should also be sought concerning these matters.

This calculation is based on contribution information received from the current and prior Fund Administrators and the Fund Auditor. The calculation of the payment schedule is based on base unit information received from the Fund Administrator that was converted from days to hours with a conversion factor of eight hours per day. The contribution and hours information is summarized in the Appendix.

Segal valuation results are based on proprietary actuarial modeling software. The actuarial valuation models generate a comprehensive set of liability and cost calculations that are prepared to meet regulatory, legislative and client requirements. Our Actuarial Technology and Systems unit, comprised of both actuaries and programmers, is responsible for the initial development and maintenance of these models. The models have a modular structure that allows for a high degree of accuracy, flexibility and user control. The client team programs the assumptions and the plan provisions, validates the models, and reviews test lives and results, under the supervision of the responsible Enrolled Actuary.

This estimate was completed under the supervision of Brian Lehman, ASA, MAAA, Enrolled Actuary.

Please let us know if you have any questions.

Participant Data

Participant census data as of January 1, 2023 was provided by the Fund Office, and projected to the valuation date.

There were 53 active participants without a date of birth. We assumed that these participants had entered the plan at the same age as the other active participants. There were 1 terminated vested participant without a date of birth. We assumed these participants had the same age as the average terminated vested participant.

Employees of certain Rehabilitation Plan withdrawn employers who have yet to incur a three year break in service were assumed to retire or terminate as of January 1, 2023 based on each participant's eligibility as of January 1, 2023.

***Missing or Incomplete
Participant Data***

Assumptions were made to adjust for participants and beneficiaries with missing or incomplete data, based on those exhibited by participants with similar known characteristics.

***Benefits not Included
in Valuation***

We believe we have reflected all significant assumptions and plan provisions in the valuation.

***Changes in
Assumptions and
Methods Since Last
Actuarial Valuation***

The discount rate has changed from 2.40% for the first 20 years and 2.11% thereafter to 3.90% for the first 20 years and 3.65% thereafter. This assumption will change each year according to the PBGC interest rate structure for valuing immediate and deferred annuities.

Assumptions and Methods Used to Determine a Withdrawing Employer's Share of Unfunded Vested Benefits**

***Methods to Allocate
Unfunded Vested
Benefits to a
Withdrawing Employer***

The Fund uses the presumptive method under ERISA Section 4211(b) to determine a withdrawing employer's share of unfunded vested benefits. Reallocation of uncollectible amounts is based on decisions of the Board of Trustees. Following a merger of another multiemployer pension plan into this Fund, the Fund restarts initial liabilities as allowed under ERISA Regulation 4211.36(b). Initial liabilities were last restarted as of December 31, 2006. The numerator of the allocation fraction for the initial liabilities is the total amount required to be contributed by the withdrawing employer under the merged and prior plans for the 60 months ending on the last day of the initial plan year. The denominator of the allocation fraction for the initial liabilities is the sum, for that period, of all contributions made by employers who had not withdrawn as of the end of the initial plan year.

The Plan has reduced nonforfeitable benefits as part of a rehabilitation plan. Under Section 432(g)(1) of the Internal Revenue Code, these reductions must be disregarded for purposes of determining unfunded vested benefits for withdrawal liability purposes. As allowed under the Simplified Method in the PBGC's Technical Update 10-3, the value of the reductions in nonforfeitable benefits ("affected benefits") has been established as a separate unfunded liability pool which will be amortized in level annual installments over 15 years.

The Fund applies the de minimis rule of ERISA Section 4209(a), using the standard \$50,000 reduction.

***Selection of
Assumptions***

The discount rate, mortality and expense assumptions used for withdrawal liability purposes were selected in consideration of the purpose of the measurement (a settlement calculation) and factors that are particular to the Plan and the industry. The ultimate selection of the discount rate is our best estimate and reflects professional judgment.

Other demographic assumptions were chosen based on historical and current demographic data, adjusted to reflect estimated future experience and professional judgment.

this request, and no claims, objections or defenses will be considered if they are not presented at this time.

Should the employer fail to make a timely request for review, the Board of Trustees will deem that said employer has fully accepted the withdrawal liability assessment as stated.

The Board of Trustees further reserves the right to seek any legal remedies necessary to protect the Pension Fund and assure its compliance with ERISA and all its requirements.

In addition, the Employer shall be responsible as set forth in this Participation Agreement and the Fund's rules, regulations and/or collection policies.

4. The Fund shall be open to participation by any group of members belonging to a participating Union that fully complies with all rules and regulations of the Fund. In addition, the Employer may contribute to the Fund for employees working outside the jurisdiction of the collective bargaining agreement in the amount indicated above. However, if these employees are included, the Employer agrees to make contributions on all employees in this category subject to the same conditions and on the same basis as is provided in this Participation Agreement, and the Employer also agrees to continue to make contributions on all these employees for as long as there shall be a collective bargaining agreement between the Employer and the Union, subject to any and all rules and regulations or decisions covering this group that are issued by the Fund. The Employer must request in writing and receive written approval from the Fund in order to have these non-covered employees included. Such request must specifically define the category or categories involved.

5. Should any of the provisions of this Participation Agreement be declared to be in violation of the Labor-Management Relations Act of 1947, as amended, or any other State or Federal statute or regulation, such declaration shall in no way impair the effectiveness or continuity of the rest of the provisions of this Participation Agreement and such provisions are hereby expressly declared to be saved from such illegality.

6. Payments to the Fund must be made by the Employer for all compensable vacation and holiday time up to a maximum of one full calendar year.

7. In the event the Employer grants a leave and does not so comply, the Employer must pay the contributions subject to all other requirements in paragraph 2 herein.

8. The Employer agrees to furnish such information as may be necessary to enable the Fund to carry out its duties.

9. If a regular employee is absent because of illness or off-the-job injury and notifies the Employer of such absence, the Employer shall continue to make the required contributions for a period of four (4) weeks. If a regular employee is injured on the job, the Employer shall continue to pay the required contributions until such employee returns to work. However, such contributions shall not be paid for a period of more than 4 weeks.

As such, this Participation Agreement may not be modified except by a writing signed by all parties. EXECUTIVE ADMINISTRATOR

**AMENDED AND RESTATED REHABILITATION PLAN FOR THE
NEW YORK STATE TEAMSTERS CONFERENCE
PENSION AND RETIREMENT FUND**

Amended and Restated Effective January 1, 2023

I. INTRODUCTION

The Board of Trustees (the “Trustees”) of the New York State Teamsters Conference Pension and Retirement Fund (the “Plan” or “Fund”) timely adopted an initial Rehabilitation Plan on May 6, 2010. As required by law, the Trustees review the Rehabilitation Plan annually and update it periodically. Effective June 1, 2012, the Rehabilitation Plan was amended to include a new Schedule F. Effective January 1, 2013, the Trustees again amended the Rehabilitation Plan to add a new Alternative Schedule G for certain Employers. On March 31, 2017, the Fund’s actuary certified the Plan as “critical and declining status,” within the meaning of Section 432(b)(3)(A) of the Internal Revenue Code. The Trustees submitted an application to the U.S. Department of Treasury (“Treasury”) for Approval of Suspension of Benefits under the Multiemployer Pension Reform Act (“MPRA”), which was approved by Treasury and the benefit suspensions went into effect on October 1, 2017. The Trustees amended and restated the Rehabilitation Plan effective October 1, 2017, to take into account the terms of the Fund’s MPRA application. The Trustees again amended the Rehabilitation Plan effective November 1, 2018, to (1) add a new Alternative Schedule H for certain Employers and (2) provide the Trustees’ annual determination in connection with MPRA. The Trustees amended and restated the Rehabilitation Plan effective November 1, 2019, November 1, 2020, and November 1, 2021, to provide the Trustees’ annual determination in connection with MPRA.

On March 11, 2021, the American Rescue Plan (“ARPA”) was enacted. Under ARPA, the Fund became eligible for Special Financial Assistance (“SFA”) from the Pension Benefit Guaranty Corporation (“PBGC”) that is intended to keep the Fund solvent through December 31, 2051, and perhaps beyond. The Fund filed an initial application for SFA with the PBGC on January 28, 2022, in accordance with the PBGC’s Interim Final Rule. On May 26, 2022, the Fund withdrew its initial SFA application after consultation with the PBGC. The Fund filed a revised application for SFA on July 21, 2022. The PBGC approved the Fund’s revised SFA application on November 18, 2022, and approved payment of SFA in the amount of \$918 million, plus interest of \$45.3 million. The Fund received payment of SFA on December 8, 2022.

The Fund restored monthly benefits previously reduced under MPRA effective December 1, 2022. The Fund filed a Supplemented SFA Application on December 9, 2022, in accordance with the PBGC’s Final Rule. On March 1, 2023, the Fund paid “Make-up Payments” (i.e., retroactive reinstatement of the benefits reduced under MPRA) to eligible retirees and beneficiaries covering the period from October 2017 through November 2022. The PBGC approved the Fund’s supplemented SFA application on March 31, 2023, and approved payment of additional SFA in the amount of \$421.3 million, plus interest of \$16.4 million. The Fund received payment of the additional SFA on May 1, 2023.

Under ARPA, the Fund is considered to be in Critical Status through December 31, 2051. In accordance with the Pension Protection Act of 2006 ("PPA"), the Trustees hereby revise and update the Fund's Rehabilitation Plan effective January 1, 2023, as set forth below.

The Trustees have the power, authority, and discretion to amend, construe and apply the provisions of this Rehabilitation Plan including the Schedules.

II. TRUSTEES' DETERMINATION REGARDING THE EMERGENCE FROM CRITICAL STATUS

Under the PPA, a Rehabilitation Plan is intended to enable a pension fund to emerge from critical status by the end of its rehabilitation period. The PPA, however, provides the Trustees with an alternative option if it "determines that, based on reasonable actuarial assumptions and upon exhaustion of all reasonable measures," the Fund is not reasonably expected to emerge from critical status by the close of the Plan's rehabilitation period. In such case, the Trustees are permitted to adopt a Rehabilitation Plan that includes reasonable measures designed to allow the pension fund to emerge from critical status at a later time or forestall possible insolvency under Section 4245 of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

After consideration of various alternatives and exhaustion of all reasonable measures, the Trustees previously determined that it would not have been reasonably possible for the Fund to emerge from critical status under the PPA by the end of its rehabilitation period. However, based on receipt of SFA on December 8, 2022, and May 1, 2023, the Trustees have concluded that this Rehabilitation Plan as amended, includes measures designed to allow the Fund to emerge from critical status at a later time. This conclusion is based on the advice and recommendation of the Fund's actuaries and their use of reasonable actuarial assumptions.

III. DESCRIPTION OF SCHEDULES

A. Introduction

The Rehabilitation Plan as of January 1, 2023, includes a Default Schedule and seven Alternative Schedules (A — E, G, and H). A Participant may qualify for benefits under one or more of the Schedules. A Participant who qualifies for benefits will select a benefit commencement date and form of payment for their entire benefit. Once benefits commence, no changes are permitted to be made with respect to the timing or form of payment and a Participant may not defer any portion of that benefit until a later date.

1. Selection and Approval of a Schedule

Until one of the Schedules in this Rehabilitation Plan takes effect with respect to a Contributing Employer, the current Schedule continues to apply. Prior to negotiations, the Bargaining Parties must request in writing from the Fund Office contribution rate sequences that will conform to one of the Schedules. Subsequent to negotiations, the Bargaining Parties must submit all contribution rate sequences in any renewal or extension of a collective bargaining agreement ("CBA") and participation agreement ("PA") or other agreement requiring contributions to the Fund to the Fund Office for approval. Subject to the sole discretion of the Trustees, a Schedule is adopted when the Trustees receive substantiation that a CBA and PA

includes terms consistent with the requirements of a Schedule. In general, the Trustees will consider the Bargaining Parties to have adopted a particular Schedule and will consider the terms of a CBA and PA to be consistent with this Rehabilitation Plan, when a CBA and PA is adopted in accordance with the Schedule's requirements.

Once a Schedule takes effect with respect to a Contributing Employer, that Schedule will remain in effect for the duration of the Contributing Employer's CBA or PA. If upon expiration of the CBA or PA a Contributing Employer wishes to adopt a different Schedule, the bargaining parties must again request in writing from the Fund Office contribution rate sequences that will conform to the new Schedule the Contributing Employer wishes to adopt. A Contributing Employer may adopt a new Schedule only if the Trustees, in their sole discretion, accept the new contribution rate sequences after determining that such contribution rate sequences are sufficient to support the cost of the applicable benefit accrual rates under the new Schedule.

Notwithstanding the foregoing, as always, regardless of whether or not a CBA or PA complies with the Rehabilitation Plan, the Trustees reserve the right to reject a CBA or PA that is determined to be detrimental to the actuarial soundness of the Fund.

Notwithstanding anything herein to the contrary, the monthly amount of any Early, Thirty Year, or Vested Pension for an Employee who first became an Active Participant on or after October 15, 2009 and before January 1, 2013, will be the greater of such Participant's accrued benefit as of December 31, 2012, payable as a monthly benefit at age 65, and reduced by 6% for each year the benefit commences before age 65; and the Early, Thirty Year, or Vested Pension calculated in accordance with the applicable Alternative Schedule, based upon such Participant's Credited Service as of the Benefit Commencement Date.

2. Adjustable Benefits

Effective January 1, 2011, the following Adjustable Benefits were eliminated for all Participants:

- a) The Regular Pension (age 60);
- b) Disability Benefits, including the Disability Pension and Lump Sum Disability Benefit;
- c) Death Benefits, including but not limited to, the Lump Sum Death Benefit and 60-month pre-retirement death benefit;
- d) Supplemental Social Security Benefit — Participants shall not earn any future accruals towards this benefit on or after January 1, 2011; and
- e) All Reciprocal Pensions to the extent any such pension is tied to one or more of the Adjustable Benefits listed above.

Effective January 1, 2011, Participants covered under the Default Schedule also had the following Adjustable Benefits eliminated:

a) **The Thirty-Year Pension;**

b) **Supplemental Accrual Rate – As of October 1, 2007, the benefit accrual rate of 1.3 percent of Employer Contributions was increased to 1.73 percent following the earlier of: (i) the midpoint of the period between a Participant’s Unreduced Retirement Date and the Participant’s Unreduced Social Security Retirement Date; or (ii) 5 years following a Participant’s Unreduced Retirement Date (“Supplemental Accrual Rate”). This Supplemental Accrual Rate is eliminated for any accruals earned on or after January 1, 2011.**

c) **The following Benefit Payment options:**

- 1) **Five Year Certain Annuity;**
- 2) **Ten Year Certain Annuity;**
- 3) **Qualified 100% Joint and Survivor Annuity;**
- 4) **50%, 75% and 100% Joint and Survivor Annuity with Pop-Up.**
- 5) **Effective April 30, 2010, voluntary lump sum payments equal to \$5,000 or more.**

3. Thirty-Year Pension and Special Transition Benefit Under Alternative Schedules A-F

(a) **Age Requirement For Thirty-Year Pension**

A Participant who has not begun receiving benefits by December 31, 2010, will not be able to retire with an unreduced Thirty-Year Pension solely due to the accrual of 30 years of Credited Service. However, Participants will be eligible to receive an unreduced Thirty-Year Pension upon attaining a certain age prior to retirement (“Unreduced Age”) in addition to accruing 30 years of Credited Service. The Unreduced Age for each Schedule is described below.

(b) **Transition Benefit**

Generally, if a Participant retires with 30 years of Credited Service but prior to the attainment of the Unreduced Age applicable to their Schedule, that Participant’s benefits will be reduced accordingly (as described under each Schedule). However, all of the Alternative Schedules provide a transition benefit. Under the transition benefit, Participants with at least 25 years of Credited Service as of January 1, 2011, who retire after earning at least 30 years of Credited Service but prior to attaining the applicable Unreduced Age will not have their Thirty-Year Pension benefit reduced by as much as otherwise described under each Schedule. Such Participants will have the following early reduction factors applied to their benefit:

<u>Years of Service as of January 1, 2011</u>	<u>Reduction Per Year from Unreduced Age</u>
30	0%
29	1%
28	2%
27	3%
26	4%
25	5%

4. The Extent to Which Contribution Rate Increases Impact Accruals

As described below, contribution rate increases under each of the Schedules are either “non-benefit bearing” or “one-percent (1%) bearing.” Non-benefit bearing means that the contribution rate that is used to calculate benefits for each year in the future shall be the contribution rate in effect in 2010. Any subsequent contribution rate increases will not be taken into account for the purpose of calculating future benefit accruals. One-percent (1%) bearing means that the contribution rate that is used to calculate benefits for each year in the future shall be the contribution rate in effect in 2010, increased by one-percent (1%) for each year beyond 2010 where a contribution rate increase is required and complied with under the applicable schedule.

Regardless of this distinction, any contribution rate increases above those required by a specific Schedule will be “benefit bearing,” which means that all of the contributions above those required under a Schedule shall be multiplied by the percentage provided under the specific Schedule to calculate future benefit accruals for the Normal Pension. In accordance with Section 305(f)(1)(B) of ERISA, while the Fund was within its Rehabilitation Period, such an increase in benefit accruals was paid for out of additional contributions not contemplated by the Rehabilitation Plan, and the Fund’s actuary has certified that these additional contributions improve the Fund’s actuarial measures after taking their benefit bearing nature into account.

The Schedules adopted by the Trustees are set forth below. Unless otherwise indicated, all capitalized terms used in these Schedules shall have the definitions and meanings assigned to them in the Plan.

5. MPRA Application Restorations

Effective December 1, 2022, the 18% reduction in accrued benefits of all Active Participants (as defined in the Fund’s MPRA Application) which took effect on October 1, 2017, was eliminated, and all benefits were restored to the level in effect as of September 30, 2017. Effective December 1, 2022, the accrued and/or monthly benefits of Non-Active Participants (as defined in the MPRA Application) that were reduced by 29% were restored to the level in effect as of September 30, 2017 .

B. Rehabilitation Plan Schedules**1. Default Schedule**

The Default Schedule shall apply to Participants whose Contributing Employers agree to comply with this Default Schedule (or who become subject to the Default Schedule imposed by law due to a failure to achieve an agreement to accept any of the Alternative Schedules within the time period prescribed by Section 305(e)(3)(C) of ERISA).

(a) Contributions

Compliance with the Default Schedule requires the Contributing Employer's contribution rate to increase by 6.00% annually through December 31, 2017. Thereafter, the Contributing Employer's contribution rate will increase annually as follows:

January 1, 2018 - December 31, 2021	3.5%
January 1, 2022 – December 2022	3%

Any contribution rate increases after December 31, 2022, will be as agreed to by the bargaining parties.

(b) Future Benefit Accruals

For Participants covered under the Default Schedule, the future benefit accrual for the Normal Pension will be 1.0% of the Employer Contributions required to be made on behalf of the Participant. However, increases in a Contributing Employer's contribution rate required under the Default Schedule will be non-benefit bearing.

(c) Adjustable Benefits

All Adjustable Benefits listed above in Section IV.A.2. have been eliminated for Participants covered under the Default Schedule. In addition, the Early and Vested Pensions shall equal the Actuarial Equivalent of the monthly amount of the Normal Pension to which a Participant would have been entitled upon attaining age sixty-five (65) based upon their Credited Service as of the date of their early retirement.

2. Alternative Schedule A**(a) Contributions**

Compliance with Alternative Schedule A requires the Contributing Employer's contribution rate to increase by 6.00% annually through December 31, 2017. Thereafter, the Contributing Employer's contribution rate will increase annually as follows:

January 1, 2018 - 3.5%
December 31, 2021

January 1, 2022 – 3%
December 2022

Any contribution rate increases after December 31, 2022, will be as agreed to by the bargaining parties.

(b) Future Benefit Accruals

For Participants covered under Alternative Schedule A, the future benefit accrual for the Normal Pension will be 0.30% of the Employer Contributions required to be made on behalf of the Participant. However, increases in a Contributing Employer's contribution rate required under Alternative Schedule A will be non-benefit bearing.

(c) Adjustable and Transition Benefits

All Adjustable Benefits listed above in Section IV.A.2. for Participants covered under Alternative Schedule A have been eliminated. The Supplemental Accrual Rate was also eliminated under Alternative Schedule A for any accruals earned on or after January 1, 2011. In addition, the Early and Vested Pensions shall equal the Actuarial Equivalent of the monthly amount of the Normal Pension to which a Participant would have been entitled upon attaining age sixty-five (65) based upon their Credited Service as of the date of their early retirement.

Participants with at least 25 years of Credited Service as of January 1, 2011, will be eligible for the transition benefit and will have their Thirty-Year Pension reduced by the transition benefit's early reduction factors based on an Unreduced Age of 65. For example, if a Participant who had earned 28 years of Credited Service by January 1, 2011, is covered by Alternative Schedule A and begins receiving benefits at the age of 60 after having earned 30 years of Credited Service, that Participant's benefits will be reduced by 10% (2% x 5 years) — rather than being reduced by approximately 42% as they would be for an Early Pension benefit.

3. Alternative Schedule B

(a) Contributions

Compliance with Alternative Schedule B requires the Contributing Employer's contribution rate to increase by 6.50% annually through December 31, 2017. Thereafter, the Contributing Employer's contribution rate will increase annually as follows:

January 1, 2018 - 3.5%
December 31, 2021

January 1, 2022 – 3.0%
December 2022

Any contribution rate increases after December 31, 2022, will be as agreed to by the bargaining parties.

(b) Future Benefit Accruals

For Participants covered under Alternative Schedule B, the future benefit accrual for the Normal Pension will be 0.50% of the Employer Contributions required to be made on behalf of the Participant. However, increases in a Contributing Employer's contribution rate required under Alternative Schedule B will be non-benefit bearing.

(c) Adjustable and Transition Benefits

All Adjustable Benefits listed above in Section IV.A.2. have been eliminated for Participants covered under Alternative Schedule B. The Supplemental Accrual Rate was also eliminated under Alternative Schedule B as of January 1, 2011, for any Participants who were not eligible for that rate prior to January 1, 2011. In addition, the Early and Vested Pensions shall be calculated by reducing the Normal Pension benefit by 6% for each year prior to the age of 65 that a Participant begins receiving benefits. However, if the Actuarial Equivalent of the monthly amount of the Normal Pension to which a Participant would have been entitled upon attaining age 65 based upon their Credited Service as of the date of their retirement results in a greater benefit, they will receive the Actuarial Equivalent.

For the Thirty-Year Pension, the Unreduced Age for Participants under Schedule B is 62. As a result, Participants will need to attain Age 62 and accrue 30 years of Credited Service in order to retire with an unreduced Thirty-Year Pension. Generally, if a Participant retires after earning 30 years of Credited Service without attaining the Unreduced Age, benefits are reduced by 6% for each year prior to the Unreduced Age that a Participant begins receiving benefits. However, Participants with at least 25 years of Credited Service as of January 1, 2011, will be eligible for the transition benefit and will have their Thirty-Year Pension reduced, if at all, by the transition benefit's early reduction factors based on an Unreduced Age of 62. For example, if a Participant who had earned 28 years of Credited Service by January 1, 2011 is covered by Alternative Schedule B and begins receiving benefits at the age of 57 after having earned 30 years of Credited Service, that Participant's benefits will be reduced by 10% (2% x 5 years) — rather than being reduced by 30% (6% x 5 years) as otherwise provided under this Schedule.

4. Alternative Schedule C

(a) Contributions

Compliance with Alternative Schedule C requires the Contributing Employer's contribution rate to increase by 6.75% annually through December 31, 2017. Thereafter, the Contributing Employer's contribution rate will increase annually as follows:

January 1, 2018 -	3.5%
December 31, 2021	

January 1, 2022 –
December 2022

3.0%

Any contribution rate increases after December 31, 2022, will be as agreed to by the bargaining parties.

(b) Future Benefit Accruals

For Participants covered under Alternative Schedule C, the future benefit accrual for the Normal Pension will be 0.30% of the Employer Contributions required to be made on behalf of the Participant. However, increases in a Contributing Employer's contribution rate required under Alternative Schedule C will be non-benefit bearing.

(c) Adjustable and Transition Benefits

All Adjustable Benefits listed above in Section IV.A.2. were eliminated for Participants covered under Alternative Schedule C. The Supplemental Accrual Rate was also eliminated under Alternative Schedule C as of January 1, 2011, for any Participants who were not eligible for that rate prior to January 1, 2011. In addition, the Early and Vested Pensions shall be calculated by reducing the Normal Pension benefit by 6% for each year prior to the age of 65 that a Participant begins receiving benefits. However, if the Actuarial Equivalent of the monthly amount of the Normal Pension to which a Participant would have been entitled upon attaining age 65 based upon their Credited Service as of the date of their retirement results in a greater benefit, they will receive the Actuarial Equivalent.

For the Thirty-Year Pension, the Unreduced Age for Participants under Schedule C is 60. As a result, Participants will need to attain Age 60 and accrue 30 years of Credited Service in order to retire with an unreduced Thirty-Year Pension. Generally, if a Participant retires after earning 30 years of Credited Service without attaining the Unreduced Age, benefits are reduced by 6% for each year prior to the Unreduced Age that a Participant begins receiving benefits. However, Participants with at least 25 years of Credited Service as of January 1, 2011, will be eligible for the transition benefit and will have their Thirty-Year Pension reduced, if at all, by the transition benefit's early reduction factors based on an Unreduced Age of 60. For example, if a Participant who had earned 28 years of Credited Service by January 1, 2011 is covered by Alternative Schedule C and begins receiving benefits at the age of 55 after having earned 30 years of Credited Service, that Participant's benefits will be reduced by 10% (2% x 5 years) — rather than being reduced by 30% (6% x 5 years) as otherwise provided under this Schedule.

5. Alternative Schedule D

(a) Contributions

Compliance with Alternative Schedule D requires the Contributing Employer's contribution rate to increase by 7.75% annually through December 31, 2017. Thereafter, the Contributing Employer's contribution rate will increase annually as follows:

January 1, 2018 - 3.5%
December 31, 2021

January 1, 2022 – 3.0%
December 2022

Any contribution rate increases after December 31, 2022, will be as agreed to by the bargaining parties.

(b) Future Benefit Accruals

For Participants covered under Alternative Schedule D, the future benefit accrual for the Normal Pension will be 0.50% of the Employer Contributions required to be made on behalf of the Participant. Increases in a Contributing Employer's contribution rate required under Alternative Schedule D will be one-percent (1%) bearing.

(c) Adjustable and Transition Benefits

All of the Adjustable Benefits listed above in Section IV.A.2. have been eliminated for Participants covered under Alternative Schedule D. The Supplemental Accrual Rate was also eliminated under Alternative Schedule D as of January 1, 2011, for any Participants who were not eligible for that rate prior to January 1, 2011. In addition, the Early and Vested Pensions shall be calculated by reducing the Normal Pension benefit by 6% for each year prior to the age of 65 that a Participant begins receiving benefits. However, if the Actuarial Equivalent of the monthly amount of the Normal Pension to which a Participant would have been entitled upon attaining age 65 based upon their Credited Service as of the date of their retirement results in a greater benefit, they will receive the Actuarial Equivalent.

For the Thirty-Year Pension, the Unreduced Age for Participants under Schedule D is 57. As a result, Participants will need to attain Age 57 and accrue 30 years of Credited Service in order to retire with an unreduced Thirty-Year Pension. Generally, if a Participant retires after earning 30 years of Credited Service without attaining the Unreduced Age, benefits are reduced by 6% for each year prior to the Unreduced Age that a Participant begins receiving benefits. However, Participants with at least 25 years of Credited Service as of January 1, 2011, will be eligible for the transition benefit and will have their Thirty-Year Pension reduced, if at all, by the transition benefit's early reduction factors based on an Unreduced Age of 57. For example, if a Participant who had earned 28 years of Credited Service by January 1, 2011 is covered by Alternative Schedule D and begins receiving benefits at the age of 52 after having earned 30 years of Credited Service, that Participant's benefits will be reduced by 10% (2% x 5 years) — rather than being reduced by 30% (6% x 5 years) as otherwise provided under this Schedule.

6. Alternative Schedule E

(a) Contributions

Compliance with Alternative Schedule E requires the Contributing Employer's contribution rate to increase by 8.25% annually through December 31, 2017. Thereafter, the Contributing Employer's contribution rate will increase annually as follows:

January 1, 2018 - December 31, 2021	3.5%
--	------

January 1, 2022 – December 2022	3.0%
------------------------------------	------

Any contribution rate increases after December 31, 2022, will be as agreed to by the bargaining parties.

(b) Future Benefit Accruals

For Participants covered under Alternative Schedule E, the future benefit accrual for the Normal Pension will be 0.50% of the Employer Contributions required to be made on behalf of the Participant. Increases in a Contributing Employer's contribution rate required under Alternative Schedule E will be one-percent (1%) bearing.

(c) Adjustable and Transition Benefits

All of the Adjustable Benefits listed above in Section IV.A.2. have been eliminated for Participants covered under Alternative Schedule E. The Supplemental Accrual Rate was also eliminated under Alternative Schedule E as of January 1, 2011, for any Participants who are not eligible for that rate prior to January 1, 2011. In addition, the Early and Vested Pensions shall be calculated by reducing the Normal Pension benefit by 6% for each year prior to the age of 65 that a Participant begins receiving benefits. However, if the Actuarial Equivalent of the monthly amount of the Normal Pension to which a Participant would have been entitled upon attaining age 65 based upon their Credited Service as of the date of their retirement results in a greater benefit, they will receive the Actuarial Equivalent.

For the Thirty-Year Pension, the Unreduced Age for Participants under Schedule E is 55. As a result, Participants will need to attain Age 55 and accrue 30 years of Credited Service in order to retire with an unreduced Thirty-Year Pension. Generally, if a Participant retires after earning 30 years of Credited Service without attaining the Unreduced Age, benefits are reduced by 6% for each year prior to the Unreduced Age that a Participant begins receiving benefits. However, Participants with at least 25 years of Credited Service as of January 1, 2011, will be eligible for the transition benefit and will have their Thirty-Year Pension reduced, if at all, by the transition benefit's early reduction factors based on an Unreduced Age of 55. For example, if a Participant who had earned 28 years of Credited Service by January 1, 2011 is covered by Alternative Schedule E and begins receiving benefits at the age of 50 after having earned 30 years of Credited

Service, that Participant's benefits will be reduced by 10% (2% x 5 years) — rather than being reduced by 30% (6% x 5 years) as otherwise provided under this Schedule.

7. Alternative Schedule F

[Reserved]

8. Alternative Schedule G

Alternative Schedule G was first available effective January 1, 2013, for Contributing Employers that have been specifically accepted and approved by the Trustees, in their sole discretion, as satisfying the following conditions:

(1) the common stock of the Contributing Employer or its parent corporation (or other affiliate under 80% or more common control with the Contributing Employer) is publicly traded and registered pursuant to the securities laws of the United States;

(2) the Contributing Employer submits to a review of its financial condition and operations by the Fund Office and outside experts and consultants, and agrees to reimburse the Fund for all fees and expenses incurred by the Fund in this review (including, but not limited to, reimbursement to the Fund for the time devoted by the Fund Office to any such review, with this reimbursement to be made at market rates for comparable services performed by the Fund Office);

(3) on the basis of this financial and operational review, the Trustees determine that (a) the Contributing Employer is not able to contribute to the Fund at the higher rate required by its current or most-recent PA, and (b) acceptance of a proposed new PA and CBA that meet the requirements of Alternative Schedule G is in the best interest of the Fund under all the circumstances and advances the goals of this Rehabilitation Plan; and

(4) the Contributing Employer must not have any outstanding liabilities owed to the Fund and must be current in its contributions.

Note: If a Contributing Employer becomes subject to this Alternative Schedule G with respect to a particular Bargaining Unit, the Fund will not accept from that Contributing Employer any PAs or CBAs which are covered by Alternative Schedules A-E, except as determined by the Trustees in their sole discretion.

(b) Contributions

Compliance with Alternative Schedule G requires the Contributing Employer's contribution rate to have been specifically accepted and approved by the Trustees, in their sole discretion, but in no case shall the contribution rate ever be less than 25% of the last contribution rate required to be paid by the Contributing Employer.

Additionally, compliance with Alternative Schedule G requires the Contributing Employer's contribution rate to increase by 6.00% annually through December 31, 2017. Thereafter, the Contributing Employer's contribution rate will increase annually as follows:

January 1, 2018 - 3.5%
December 31, 2021

January 1, 2022 - 3%
December 2022

Any contribution rate increases after December 31, 2022, will be as agreed to by the bargaining parties.

Alternatively, subject to the approval of the Trustees, the annual contribution increases required under this Schedule G may be satisfied for the duration of the CBA and PA through a reduction of the 0.25% future benefit accrual rate by the actuarial equivalent of the required increase or any part thereof or by a reduction of the bearing portion of the contribution rate as determined by the Trustees.

(c) Future Benefit Accruals

(1) Employers Required to Make Annual Contribution Increases

For Participants covered under Alternative Schedule G whose employer is making the required annual contribution increases, the future benefit accrual for the Normal Pension will be .25%. Increases in a Contributing Employer's contribution rate required under Alternative Schedule G will be non-benefit bearing.

(2) Employers Offsetting Annual Contribution Increases by Reducing Future Accruals

For Participants covered under Alternative Schedule G whose employer is offsetting required the annual contribution increases by reducing future benefit accruals, the future benefit accrual for the Normal Pension is as follows: for the period from January 1, 2013, through May 31, 2017, the applicable percentage was .25%. For the period from June 1, 2017, through July 31, 2017, the applicable percentage was .18%. For the period from August 1, 2017, through July 31, 2018, the applicable percentage is .16%. For the period from August 1, 2018, through July 31, 2023, the applicable percentage is .25%.

(d) Adjustable and Transition Benefits

All of the Adjustable Benefits listed above in Section IV.A.2. have been eliminated for Participants covered under Alternative Schedule G, including those under the Default Schedule. In addition, the Early and Vested Pensions shall equal the Actuarial Equivalent of the monthly amount of the Normal Pension to which a Participant would have been entitled upon attaining age sixty-five (65) based upon their Credited Service as of the date of their early retirement.

(e) Employer Withdrawal Liability

If a Contributing Employer that elected Alternative Schedule G withdraws from the Fund, the employer withdrawal liability shall be calculated as if Alternative Schedule G had not been

elected and instead shall be calculated as if the Contributing Employer continued to be covered by the Schedule applicable to it prior to becoming covered by Alternative Schedule G. The contribution rates used to calculate withdrawal liability shall be the rates, including any increases, required by the Contributing Employer's PA prior to becoming covered by Alternative Schedule G. The contribution base units shall be the greater of the actual contribution base units while participating in Alternative Schedule G or an average of the contribution base units during the three years immediately prior to becoming covered by Alternative Schedule G, which will be imputed for each year of participation in said Schedule.

In addition, if a Contributing Employer that elected Alternative Schedule G withdraws from the Plan with any gap in the contribution history due to, among other reasons, a temporary termination or cessation of contributions, the Contributing Employer's contributions shall be imputed for any such gap period solely for the purpose of calculating withdrawal liability. The imputed contributions, which shall be treated as contributions required to be made under the Fund by the Contributing Employer, shall be calculated using the rates, including any increases, required by the Contributing Employer's PA immediately prior to becoming covered by Alternative Schedule G. The contribution base units used in calculating withdrawal liability during the gap period shall be based on the average of the contribution base units during the three years immediately prior to the gap period.

Notwithstanding anything herein to the contrary, the employer withdrawal liability for a Contributing Employer that elected Alternative Schedule G and later withdraws from the Fund shall be calculated in accordance with the assumptions and methods used by the Fund's actuary.

9. Alternative Schedule H

Alternative Schedule H is made available effective November 1, 2018, for Contributing Employers that are approved by the Trustees in their sole discretion, subject to the following conditions:

- (1) the Contributing Employer negotiated the right to withdrawal from the Fund, absent the Fund's acceptance of its new collective bargaining agreement;
- (2) the Contributing Employer already is contributing at one of the Fund's highest contribution rates, is one of the last remaining union-represented employers in the "less than truckload" ("LTL") trucking industry, and is facing significant competitive challenges that call into question the sustainability of continued contribution rate increases in the near-term;
- (3) the Trustees have determined based on analysis performed by the Fund's actuaries that permitting the Contributing Employer to continue participation under this Schedule H is in the best interest of the Fund under all the circumstances and advances the goals of this Rehabilitation Plan; and
- (4) the Contributing Employer must not have any outstanding liabilities owed to the Fund and must be current in its contributions.

(a) Contributions

Compliance with Alternative Schedule H requires the Contributing Employer's contribution rate to have been specifically accepted and approved by the Trustees, in their sole discretion. Compliance with Alternative Schedule H requires the Contributing Employer's contribution rate to increase annually as follows:

August 1, 2018 - 0%
July 31, 2023

Any contribution rate increases after December 31, 2022, will be as agreed to by the bargaining parties.

(b) Future Benefit Accruals

For Participants covered under Alternative Schedule H, the future benefit accrual for the Normal Pension will be 0.50% of the bearing portion of the Employer Contribution rate in effect immediately prior to the Participant's becoming subject to Alternative Schedule H.

(c) Adjustable Benefits

All Adjustable Benefits listed above in Section IV.A.2 were eliminated for Participants covered under Alternative Schedule H, including those under the Default Schedule. In addition, the Early and Vested Pensions shall equal the Actuarial Equivalent of the monthly amount of the Normal Pension to which a Participant would have been entitled upon attaining age sixty-five (65) based upon their Credited Service as of the date of their early retirement.

D. Inactive Vested Participants

Inactive vested participants shall be covered under the terms of the Default Schedule. For these purposes, an “inactive vested participant” is a Participant who is vested under the Plan but who has not earned at least one (1) Hour of Service in this Fund on or after January 1, 2011.

E. Participant Benefits Under a Schedule

Once a Participant becomes covered under one of these Schedules by earning one Hour of Service under that Schedule, the provisions included in that Schedule shall govern the determination of that individual’s benefits. This includes any Participants who previously participated in plans that merged into the Fund. Any benefits, rights and features provided under those merged-in plans that may have been included in the Fund’s Plan document will be superseded by the applicable Schedule to the extent permitted by law.

In order to qualify for the unreduced early retirement provisions of a particular Schedule, a Participant must earn 5,000 Hours of Service under that Schedule, with no more than 1,000 Hours of Service being taken into account for that purpose in any particular plan year (“Hours Requirement”). Any accruals under a Schedule for which the Hours Requirement has not been met will be at the Schedule’s accrual rate, but will be based on the Default Schedule’s early retirement reduction provisions. In addition, benefits accrued as of December 31, 2010, will “attach” to the

eligibility requirements of the highest Schedule under which a Participant has satisfied the Hours Requirement. Notwithstanding the foregoing, Participants who earned 25 or more Years of Credited Service as of December 31, 2010, are not subject to the Hours Requirement, but will qualify for the provisions of a Schedule after earning one Hour of Service under that Schedule. However, if a Participant who has earned 25 or more years of Credited Service as of December 31, 2010, does not qualify for benefits under a particular Schedule by August 20, 2014, such Participant must earn 1,000 Hours of Service under that Schedule before the Participant will qualify for benefits that are calculated and paid pursuant to that Schedule.

F. Rehabilitation Plan Withdrawal

Notwithstanding anything herein to the contrary, subject to applicable law and the discretion of the Trustees, any Bargaining Units (and any non-Bargaining Unit employee groups participating in the Fund) whose Contributing Employers incur a Rehabilitation Plan Withdrawal on or after June 1, 2012, shall have their Adjustable Benefits listed in Section IVA.2 eliminated or reduced to the extent indicated below.

1. Adjustable Benefits Eliminated or Reduced

Subject to the provisions indicated in this Section F, effective June 1, 2012, all Adjustable Benefits listed in Section IVA.2, including those under the Default Schedule, were eliminated or reduced with respect to any Participant whose benefit commencement date with the Fund is on or after June 1, 2012 and who (i) has earned or earns an Hour of Service while employed with a Contributing Employer (or any predecessor or successor entity) that at any time on or after June 1, 2012 incurs a Rehabilitation Plan Withdrawal, and (ii) whose last year of Credited Service prior to the Rehabilitation Plan Withdrawal was earned while a member of a Bargaining Unit ultimately incurring such Withdrawal. In addition, the Early and Vested Pensions shall equal the Actuarial Equivalent of the monthly amount of the Normal Pension to which a Participant would have been entitled upon attaining age sixty-five (65) based upon their Credited Service as of the date of their early retirement.

Provided, however, that any Pensioner otherwise subject to the elimination of Adjustable Benefit due to a Rehabilitation Plan Withdrawal pursuant to this section, who has a benefit commencement date one year or more prior to the earlier of: (i) the date of such Rehabilitation Plan Withdrawal, or (ii) the date of the expiration of the last CBA and PA requiring Employer Contributions under Schedules A — H prior to such Withdrawal, shall not be subject to the elimination of Adjustable Benefits.

And provided that the spouse of any Participant otherwise subject to the elimination of Adjustable Benefits due to a Rehabilitation Plan Withdrawal shall not incur a loss of Adjustable Benefits with respect to any surviving spouse benefits for which such spouse has a benefit commencement date prior to the date of the Rehabilitation Plan Withdrawal.

2. Rehabilitation Plan Withdrawal

Subject to the discretionary authority of the Trustees indicated in this Section F.2., a "Rehabilitation Plan Withdrawal" occurs on the date a Contributing Employer is no longer required to make Employer Contributions to the Fund under one or more of its CBAs and PAs as

a result of actions by members of a Bargaining Unit (or its representatives) or the Contributing Employer, which actions include, but are not limited to the following:

(1) decertification or other removal of the Union as a bargaining agent;

(2) ratification or other acceptance of a CBA which permits withdrawal of the Bargaining Unit, in whole or in part, from the Fund;

(3) administrative termination of the Contributing Employer with respect to any or all of its CBAs and PAs due to: (i) a violation of the Fund's rules with respect to the terms of a CBA and PA; or (ii) a violation of any other Fund rule or policy; or (iii) any action of a Contributing Employer that would threaten the actuarial soundness of the Plan.

(4) any transaction or other event whereby all or a portion of the operations for which the Contributing Employer has an obligation to contribute are continued (whether by the Contributing Employer or by another party) in whole or in part without maintaining the obligation to contribute to the Fund under the same or better terms (including, for example, as to the number of participants and contribution rate) as existed before the transaction.

Provided, however, that with respect to the circumstances described in subparagraphs (3) or (4) above, the Trustees shall have full discretionary authority to consider, weigh and balance the following factors in determining whether a Rehabilitation Plan Withdrawal has occurred:

(i) the extent to which the affected Bargaining Unit or its bargaining representative participated in or controlled, or could have controlled or prevented, through bargaining, grievance procedures, NLRB proceedings, litigation or other means, the cessation of Employer Contributions;

(ii) the extent to which the affected Bargaining Unit benefited, directly or indirectly, from the cessation of Employer Contributions;

(iii) the extent to which the affected Bargaining Unit, or its bargaining representative, resisted or attempted to resist, or acquiesced in, the cessation of Employer Contributions;

(iv) the extent to which the affected Bargaining Unit, or any of its members, become engaged as employees or independent contractors in the service of operations that were or are in whole or in part a successor of the operations of the Contributing Employer who incurred the cessation of Employer Contributions; and

(v) the extent of the hardship that might be incurred by members of the affected Bargaining Unit by the elimination of Adjustable Benefits.

3. Restoration of Adjusted Benefits

Any Participant who incurs a benefit adjustment or elimination under the terms of this Section IV.F. may have those affected benefits restored if, subsequent to the event causing the

benefit adjustment, the Participant (i) permanently ceases all employment with, and performance of services in any capacity for, the Contributing Employer (and any successors or trades or businesses under common control with such Employer within the meaning of ERISA § 4001(b)(1)) within 60 days of the occurrence of such Rehabilitation Plan Withdrawal, and (ii) subsequently earns one year of Credited Service with a Contributing Employer while that Employer is in compliance with one of the Alternative Schedules described herein.

G. Surcharges for Noncompliant Contracts

Under the PPA, if Bargaining Parties fail to submit a CBA or PA which the Trustees have determined to comply with one of the Schedules, a Contributing Employer is subject to monthly surcharges equal to a percentage of contributions owed to the Fund every month. The monthly surcharge will continue until the Trustees approve a CBA and PA submitted by the Bargaining Parties that meets the requirements of one of the Schedules (or the Default Schedule is imposed in accordance with the PPA as explained above). A Contributing Employer's failure to make a surcharge payment is treated as a delinquent contribution. Participants will not accrue any benefits as a result of the payment of these surcharges.

H. Annual Review of Rehabilitation Plan and Schedules

The Trustees will review the Rehabilitation Plan and its Schedules annually with the assistance of the Fund's actuary, as they find necessary. If, for example, the Fund's actual experience does not reflect the assumptions used to develop the Rehabilitation Plan and its Schedules, the Trustees may amend or modify the Rehabilitation Plan and/or its Schedules, based on the advice of the Fund's actuary, to reflect the Fund's experience over the preceding plan year(s). However, if the Bargaining Parties have adopted a CBA and PA that complies with one of the Schedules, the contribution rate requirements in the Schedules will continue for the duration of that CBA and PA.

POLICIES AND PROCEDURES FOR CONTRIBUTING EMPLOYERS

The New York State Teamsters Conference Pension & Retirement Fund ("Fund" or "Plan") is a multiemployer pension plan within the meaning of Sections 3(2) and (37)(A) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), 29 U.S.C. §1002(37)(A), and Section 414(f) of the Internal Revenue Code of 1986, as amended ("Code"), 26 U.S.C. §414(f). In accordance with the Fund's Restated and Amended Agreement and Declaration of Trust, the Fund's Board of Trustees ("Trustees") adopts the following policies and procedures for contributing employers. The signatures below certify that these policies and procedures were duly adopted by the Trustees on the 12th day of January 2010 to be effective as adopted unless otherwise specified below.

1. General Policy

It is the policy of the Fund to collect all employer contributions and withdrawal liabilities as they become due, and to make such diligent and systematic efforts as are appropriate under the circumstances to do so. The Trustees have the right to establish rules and regulations for the operation of the Fund and enforce such rules and regulations pursuant to the Trust Agreement and ERISA, including, but not limited to, the right to:

- A. Establish a date on which contributions are due;
- B. Audit the financial records of the employers, including but not limited to, payroll ledgers, federal and state tax returns, IRS Form 941, and such other books and records of the employers to ensure that proper contributions are made to the Fund;
- C. Establish a random or pre-scheduled audit program;
- D. Require that a delinquent employer pay the cost of an audit, liquidated damages, attorney's fees, auditor fees, court costs, disbursements and any other expenses incurred by the Fund in determining the amount of a delinquency and in collecting the delinquency;
- E. Recover interest at a rate adopted by the Trustees;
- F. Take any other steps and to perform all other acts that are necessary in order to collect contributions due to the Fund in a timely and expeditious manner;
- G. Require employers to sign a standard Fund participation agreement as a condition precedent to participation in the Fund;
- H. Immediately terminate a contributing employer if the employer fails and/or refuses to abide by the terms of the Fund's participation agreement, or refuses to sign same, or fails to comply with the rules and regulations of the Fund, or becomes delinquent in paying its contributions in a timely manner; and
- I. Assess and collect withdrawal liability against an employer whether the withdrawal was voluntary or involuntary.

2. Policies Concerning Participation Agreements

Employers must execute both a collective bargaining agreement and a standard Fund participation agreement as a condition precedent to participation in the Fund. The participation agreement is the document that provides the obligation to contribute to the Fund pursuant to 29 U.S.C. §1145. A new participation agreement must be signed and submitted to the Fund for each

subsequent collective bargaining agreement. If there is a conflict between the collective bargaining agreement and the participation agreement, the terms of the participation agreement shall govern. The participation agreement may not be modified except in writing by the Trustees. An employer that fails and/or refuses to abide by the terms of the participation agreement, or refuses to sign same, or fails to comply with the rules and regulations of the Fund, or becomes delinquent in paying its contributions in a timely manner, may be immediately terminated by the Trustees in their sole discretion.

3. Policies Concerning Contributions

A. Due Date and Damages

1. Employers must contribute to the Fund on behalf of all employees performing bargaining unit work, whether full time, part-time, casual or seasonal employees. Employers and unions must execute a participation agreement that is acceptable to the Fund related to such contributions. Employers may only remit contributions on behalf of employees who perform bargaining unit work or employees who perform other covered work in accordance with a Fund approved participation agreement. Once a rate basis is selected for Fund contributions, the bargaining parties may only increase the rate basis when the participation agreement expires or the Trustees approve revisions.
2. Contributions and reports to the Fund are due on or before the tenth (10th) day of the month following the month for which the contributions are required ("Due Date"), unless the participation agreement imposes a different Due Date. The Fund, in its sole discretion, may refrain from collecting liquidated damages if the Fund receives the contributions before the last day of the month in which the contributions are due.
3. Reports of contributing employers must be filed each month even if no contributions are due for that month, except for employers operating in seasonal business cycles in which the businesses close for extended periods. In those instances, the Fund will, in its sole discretion, accept notification from the employers that the businesses are closed for a specified period. All contributing employers must report contributions on

the standard Fund's report form or through electronic filing, at the Fund's sole discretion, or in another format acceptable to the Trustees.

4. Employer reports will be date-stamped on the day received in the Fund Office. The stamped date will be the controlling date with regard to these policies and procedures. If any controlling date under these policies and procedures falls on a weekend or legal holiday, the applicable date will be the preceding working day.
5. Any contributing employer that has made timely contributions to the Fund in accordance with the Fund's policies and procedures for a period of twenty-four (24) months without a delinquency may request in writing, and be granted by the consent of the Co-Chairmen, a waiver of liquidated damages for its first delinquency.
6. Unless otherwise excused, the Fund, in its sole discretion, will assess interest on the amount of delinquent contributions at the rate of eleven percent (11%) per annum from the Due Date, plus ten percent (10%) liquidated damages on delinquent contributions. Regardless of whether litigation is commenced, a delinquent employer will be liable for 11% interest on the delinquency together with the greater of another award of interest at 11% or 10% liquidated damages, costs and attorney's fees

B. Notice of Delinquency

1. If the Fund Office has not received payment by the last day of the month of the Due Date, the Fund Office will send a Reminder Notice to the employer stating that the contributions and report are past due. The Notice will indicate that contributions due for the month plus liquidated damages at ten percent (10%). If payment has not been received ten (10) days after the Reminder Notice, a Notice of Delinquency will be sent to the employer.
2. The Notice of Delinquency will advise the employer that required contributions were not received by the Due Date and will include an estimation of the amount of contributions and liquidated damages which are due. The Notice will inform the employer that if the contributions and liquidated damages are not received within fifteen (15) days, the employer

will be considered delinquent ("Delinquent Date"). The Notice will also warn the employer that if contributions and liquidated damages are not received, the matter will be referred to Counsel for collection.

3. If the employer disputes the Notice of Delinquency, it must immediately pay the delinquent amount to the Fund. After said payment, the employer may appeal the Fund's decision to the Trustees whose decision is final and binding.

C. Counsel Procedures

1. If the Fund has not received the delinquent contributions and liquidated damages for any delinquency over \$100, the matter will be referred to Counsel.
2. Within ten (10) days of referral, Counsel will send a letter to the employer advising that if payment of the contributions, liquidated damages, interest from the Due Date, costs and attorney's fees are not received within ten (10) days, the Fund will, in its sole discretion, commence a lawsuit.
3. Suit will be instituted within ten (10) days as stated in the letter or as soon as practicable thereafter, unless Counsel recommends a different course of action based upon pertinent factors which include, but are not limited to, the following:
 - (a) the financial condition of the employer;
 - (b) the probability of collecting a judgment once it is obtained;
 - (c) the employer's past performance as a contributing employer;
 - (d) the amount of the delinquency;
 - (e) the likelihood that the costs of the suit will exceed the recovery;
 - (f) the length of time the delinquency amount has been owed; and
 - (g) any other factor that, in the discretion of Counsel, may have a material bearing on the collection of the delinquent contributions.

Any recommendation by Counsel against initiating a lawsuit to collect delinquent contributions shall be submitted to the Trustees for consideration. The Trustees shall then have the final authority as to whether a lawsuit shall be initiated.

4. Counsel shall file suit for all moneys recoverable, including, but not limited to, damages that may be recoverable under 29 U.S.C. §1132(g)(2). Counsel may seek remedies under applicable law against individual corporate officers and/or shareholders, including, but not limited to, remedies available because the employer's officers and/or shareholders breached their fiduciary duties by failing to remit contributions.
5. The Fund is authorized to seek legal redress against an employer at any time regardless of whether the above procedures have been exhausted and/or followed, with the concurrence of the Co-Chairs. If an employer fails to make any payment when due, a lawsuit may be filed to collect all delinquent contributions, interest, liquidated damages, costs, attorney's fees and other damages.
6. All lawsuits shall be commenced and heard in the United States District Court for the Northern District of New York. Any action or proceeding commenced or initiated in any other jurisdiction or venue shall be transferred to the Northern District of New York.

D. Settlement Policy

1. Subject to the policies and procedures set forth herein, the Executive Administrator, with the advice of Counsel, is authorized to enter into written settlements with employers, consistent with Department of Labor ("DOL") regulations, including, but not limited to, Prohibited Transaction Exemption 76-1, 41 Fed. Reg. 12740 (March 26, 1976).
2. The following guidelines for settlements shall be applicable:
 - (a) The Fund Office shall have limited authority to enter into settlements once the matter has been referred to Counsel, except to the extent that the Executive Administrator may provide direction to Counsel with the consent of the Co-Chairmen.
 - (b) With the consent of the Executive Administrator, Counsel may negotiate, among other things, a settlement with terms and conditions acceptable to the Fund including, but not limited to, obtaining a confession of judgment and/or collateral to secure payment of any settlement amounts. Upon any failure of the

employer to meet its obligations under such a schedule, Counsel shall execute on said judgment and/or collateral and/or enforce the settlement agreement unless otherwise instructed by the Executive Administrator.

3. Except as may be otherwise required by law, the Trustees, in accordance with their fiduciary obligations, shall have the power and authority, in their sole discretion, to allocate and disburse payments remitted by an employer, including, but not limited to, the authority to allocate and disburse payments to current obligations or past due obligations of the employer. Such allocation and disbursement shall be binding upon the employer, the employer's surety, participants, beneficiaries, and all other interested parties. An employer's request that the Fund allocate and disburse payments in a particular manner, and/or in a different manner than the method chosen by the Trustees, shall be of no force and effect.

4. **Policies Concerning Audits**

- A. **Audit Requirement.** The Fund will conduct audits to ensure full compliance with employer obligations under the participation agreements and/or applicable law. Every employer will be audited at least once every six (6) years in accordance with these policies and procedures. The Fund will schedule an immediate audit for any employer that terminates participation with the Fund. If a delinquency greater than one thousand dollars (\$1,000.00) is discovered as the result of an audit, the employer will be assessed the cost of the audit, subject to any existing Fund policy. A contributing employer shall not be required to pay audit fees in an amount greater than the lesser of: (i) twenty-five percent (25%) of the Delinquent Contributions the employer owes the Fund; or (ii) the total expense to the Fund of conducting the audit, including the cost of fringe benefits paid to the Fund payroll auditors. Employers that have voluntarily or involuntarily terminated participation in the Fund shall pay the full cost of conducting the audit regardless of the amount of the delinquency.
- B. **Audit Scope.** The Trustees may at any time examine and copy such books, records, papers, or reports of the employer as they deem necessary to permit them

to determine whether the employer is making full and proper reports and payments to the Fund. Such examination will occur whenever such examination is deemed necessary or advisable by the Trustees.

- C. Notification of Audit Delinquency. The Fund Office will send a Notice of Delinquency to audited employers found to be delinquent stating the amount of additional contributions owing as a result of the audit. The Fund allows employers sixty (60) days to respond to the results of the audit report. After the sixty (60) day period has run, an audit delinquency will be referred to Counsel and treated according to these policies and procedures.
- D. New Employers. The Fund will conduct the initial audit of a new employer within fifteen (15) months of the date the employer makes the first contributions to the Fund. The new employer shall not owe the Fund for the audit fees related to this initial audit so long as the new employer satisfies any obligations to the Fund within three (3) months of the audit report.
- E. Breach. The failure of an employer to agree on a date for an audit or to permit review of any and all necessary payroll or related records shall be, among other things, a breach of these policies and procedures.

5. Policies Concerning Return of Mistaken Contributions

- A. Standards for Return of Mistaken Contributions. Pursuant to 29 U.S.C. §1103(c)(2), the Fund will return mistaken contributions only after the Trustees, in their sole and exclusive discretion, determine that: (1) such contributions were made by mistake; (2) the return of such contributions will not jeopardize the financial security of the Fund; and (3) the return of such contributions is permitted by applicable law. The Trustees may require any employer requesting a return of mistaken contributions to provide such proof as is necessary in the opinion of the Trustees to demonstrate that such contributions were made by mistake. The Trustees may require such employer to pay the expenses of an independent auditor, chosen by the Trustees, to certify to the amount claimed.
- B. Timing for Return of Mistaken Contributions. The Fund shall return mistaken contributions to any employer within six (6) months after the Trustees determine that the contribution was made by mistake, but only if a claim is made by the

employer for the refund of such contribution within one (1) year after the Fund received the contribution .

- C. Credits for Excess Contributions. Upon approval of the Trustees, an employer may be permitted to credit mistaken contributions, less any outstanding unpaid delinquency, including outstanding amounts owed for interest, liquidated damages, and/or attorneys' fees and costs. Contributions shall not be returned to any employer who has any outstanding unpaid delinquency, including outstanding amounts owed for interest, liquidated damages, and/or attorneys' fees and costs. Contributions shall not be returned to any employer who is not currently signatory to a collective bargaining agreement and participation agreement providing for contributions to the Fund.

6. Policies Concerning Withdrawal Liability

A. Identification of Employers that have Withdrawn from the Fund.

1. The Executive Administrator will prepare and maintain a list of all employers who have permanently ceased all covered operations or permanently ceased to have an obligation to contribute to the Fund, pursuant to 29 U.S.C. §1383 or have partially withdrawn from the Fund pursuant to 29 U.S.C. §1385.
2. Employers that are terminated for any reason herein shall no longer have an obligation to contribute to the Fund and shall trigger a complete withdrawal liability pursuant to 29 U.S.C. §1383, unless the Trustees, in their sole discretion, determine otherwise.
3. In identifying employers (as defined in 6(M) herein) which have completely or partially withdrawn, whether voluntarily or involuntarily ("Withdrawn Employers"), the Executive Administrator shall utilize the knowledge and information available to him or her from, among others, the Trustees, the business agents of the sponsoring unions, and other persons and entities that the Executive Administrator believes may be of assistance.
4. For purposes of this section, a withdrawal is not considered to occur solely because an employer temporarily suspends contributions during a labor dispute involving its employees who are participants of the Plan pursuant to 29 U.S.C §1398(2).

B. Calculation and Collection of Withdrawal Liability.

1. If there are unfunded vested benefits at the end of the Plan Year preceding the Plan Year in which the Withdrawn Employer completely withdraws from the Fund pursuant to 29 U.S.C. §1383(a)(1) or (2), or partially withdraws from the Fund pursuant to 29 U.S.C. §1385(b), the Executive Administrator will contact the Plan Actuary and request that the Plan Actuary calculate the Withdrawn Employer's withdrawal liability, if any.
2. The Executive Administrator shall review the list of Withdrawn Employers and their withdrawal liability with the Trustees. The Trustees may approve a withdrawal liability assessment before a notice is sent to the Withdrawn Employer or an assessment may be ratified after said notice is sent by the Fund.
3. As soon as is practicable, the Executive Administrator will notify the Withdrawn Employer of the amount of the withdrawal liability, the schedule for interim payments, and demand payment in accordance with the schedule prepared by the Plan Actuary. A Withdrawn Employer, and/or any other individual or entity liable for the withdrawal liability payments, including, but not limited to, members of the Withdrawn Employer's controlled group (as that term is defined in ERISA and the Internal Revenue Code), must make the payments set forth in the schedule for interim payments described above regardless of whether the Withdrawn Employer has requested a review or initiated arbitration, except as provided in 29 U.S.C. §1401(g)(2).

C. Actuarial Assumptions. The actuarial assumptions used to determine the unfunded vested benefits of the Plan shall be determined by the Plan Actuary based on his/her best estimate and in accordance with 29 U.S.C. §1393. The actuarial valuation for a Plan year ending on December 31 will be finalized during the immediately following calendar year.

D. Calculation. Withdrawal liability shall be calculated in accordance with the "presumptive method" pursuant to 29 U.S.C. §§1391(b)(1) and (f) and 29 C.F.R. §4211.31. Effective January 1, 1999, pursuant to applicable Pension Benefit Guarantee Corporation (PBGC) regulations, withdrawal liability shall be recalculated to (a) restart initial liabilities after a merger pursuant to 29 C.F.R.

§§4211.36(b) and (d) to change the allocation fraction pursuant to 29 C.F.R. §4211.36(d)(1). Calculation of withdrawal liability shall be consistent with the administrative procedures adopted by the Trustees.

E. Default. In the event of default, the Withdrawn Employer must immediately pay the outstanding amount of withdrawal liability plus accrued interest on the total outstanding liability from the due date of the first payment which was not timely made. A default occurs if:

1. The Withdrawn Employer fails to make, when due, any payments of withdrawal liability, if such failure is not cured within sixty (60) days after such Withdrawn Employer receives written notification from the Fund of such failure; or
2. The Trustees, in their discretion, deem the Fund insecure as a result of any of the following events with respect to the Withdrawn Employer:

- (a) the Withdrawn Employer's insolvency, or any assignment by the Withdrawn Employer for the benefit of creditors, or the Withdrawn Employer's calling of a meeting of creditors for the purpose of offering a composition or extension to such creditors, or the Withdrawn Employer's appointment of a committee of creditors or liquidating agent, or the Withdrawn Employer's offer of a composition or extension to creditors;
- (b) the Withdrawn Employer's failure or inability to pay its debts as they become due;
- (c) the commencement of any proceedings by or against the Withdrawn Employer (with or without the Withdrawn Employer's consent) pursuant to any bankruptcy or insolvency laws or any laws relating to the relief of debtors, or the readjustment, composition or extension of indebtedness, or to the liquidation, receivership, dissolution or reorganization of debtors;
- (d) the withdrawal, revocation or suspension, by any governmental or judicial entity or by any national securities exchange or association, of any charter, license, authorization, or registration required by the Withdrawn Employer in the conduct of its business; or

- (e) any other event or circumstance which in the judgment of the Trustees materially impairs the Withdrawn Employer's credit worthiness or the Withdrawn Employer's ability to pay its withdrawal liability when due.

F. Damages. In the event of a default as defined in section (E) above, interest will be assessed for delinquent withdrawal liability payments at the Fund rate of eleven percent (11%) pursuant to 29 U.S.C. §1132(g)(2). The Withdrawn Employer will also be assessed the greater of interest or ten percent (10%) liquidated damages, attorney's fees and costs pursuant to 29 U.S.C. 1132(g)(2).

G. Special Rules. Subject to availability under ERISA, the Trustees authorized a Four-Year "Free Look" rule in accordance with 29 U.S.C. §1390. The Trustees have not adopted the "Fresh Start" rules authorized by 29 U.S.C. §1391(c)(5)(E), and the Fund is not subject to the trucking industry exemption of 29 U.S.C. §1383(d).

H. Review by the Fund. If, within ninety (90) days after the Withdrawn Employer receives a notice and demand for payment of withdrawal liability from the Fund, such Withdrawn Employer in writing to the Fund (i) requests a review of any specific matter relating to the determination of such liability and the schedule of payments, (ii) identifies any inaccuracy in the determination of the amount of the unfunded vested benefits allocable to the Withdrawn Employer, or (iii) furnishes any additional relevant information to the Fund, a review will be conducted by the Fund and Counsel. The decision of the Fund will be communicated in writing to the Withdrawn Employer including the basis for the decision and the reason(s) for any change in the determination of a Withdrawn Employer's liability or schedule for liability payments.

1. The request for review must explicitly state any alleged inaccuracies or areas of dispute. Any information submitted must be supported by affidavit of the Withdrawn Employer or its legal representative. The following information, where applicable, must be supplied as part of the request for review:

- (a) Identification of any controlled group of which the Withdrawn Employer is or was a member. If any member of the controlled group has participated in the Plan at any time since January 31,

1975, identify those members and the "Company number assigned by the Plan";

- (b) A complete copy of the Withdrawn Employer's most recent Annual Report and Securities and Exchange Commission's (SEC) Form 10-K (with all attachments) for each such member of the controlled group. If the employer is not subject to SEC jurisdiction, supply a copy of the most closely comparable State filing, financial statement, or similar document;
 - (c) Contribution/employment history records, schedules, exhibits, financial statements, etc., supporting the Withdrawn Employer's position;
 - (d) Articles of Incorporation or other notarized corporate filings evidencing a corporate name change;
 - (e) Copies of any and all agreements, complete with exhibits and signature pages, evidencing a sale of assets, corporate reorganization, merger or stock purchase;
 - (f) Copies of any Strike Settlement Agreement or Notices or Orders from the National Labor Relations Board pertaining to decertification of the Union or bargaining out of the Fund; and
 - (g) Any other information the Withdrawn Employer maintains would support its request for review.
2. Although the Trustees are not limited to the materials submitted by the Withdrawn Employer for the review and all subsequent procedures, the Withdrawn Employer's request for review and all subsequent procedures *should include all the materials offered by the Withdrawn Employer to the Trustees*. The Withdrawn Employer may make no claims, objections, or defenses, and the Trustees will not consider any claims, objections, or defenses, if they are not presented at the request for review. The Trustees will respond in writing to the request for review.
3. Should the Withdrawn Employer fail to make a timely request for review, the Trustees will consider that Withdrawn Employer to have fully accepted the withdrawal liability assessment.

- I. **Arbitration.** Any dispute between a Withdrawn Employer and the Fund concerning a determination made under 29 U.S.C. §1381 through §1399 shall be resolved through arbitration. Either party may initiate the arbitration proceeding within a 60-day period after the earlier of the date of notification to the Withdrawn Employer under 29 U.S.C. §1399(b)(2)(B) or 120 days after the date of the Withdrawn Employer's request under 29 U.S.C. §1399(b)(2)(A). If no arbitration proceeding has been initiated in a timely fashion, the amounts demanded by the Fund under 29 U.S.C. §1399(b)(1) shall be due and owing on the Fund's schedule. The Fund may bring an action for collection in a court of competent jurisdiction. Applicable arbitration rules and regulations are included in 29 U.S.C. §1401 and Fund policy.
- J. **Venue.** All arbitrations shall be initiated in the Boston regional office of the American Arbitration Association ("AAA"), or other regional office selected by the Trustees in their sole discretion, and all hearings and related proceedings shall be conducted in Syracuse, New York. In regard to federal district court actions, all such actions shall be commenced and heard in the United States District Court for the Northern District of New York. Any action or proceeding commenced or initiated in any other jurisdiction or venue shall be transferred to the appropriate court or tribunal specified herein.
- K. **Arbitration Rules.** A Withdrawn Employer shall initiate arbitration by written notice to the Boston regional office of the AAA, or other regional office selected by the Trustees in their sole discretion with copies to the Fund (or if initiated by the Fund, to the Withdrawn Employer). The arbitration shall be conducted, except as otherwise stated herein, pursuant to the Multi-Employer Pension Plan Arbitration Rules for Withdrawal Liability Disputes. Arbitration is only timely initiated if both the written notice and the AAA filing fee are received by the AAA within the time period prescribed by 29 U.S.C. §1401 and the applicable PBGC regulations. Unless agreed to the contrary, the arbitration shall be conducted before a single arbitrator.
- L. **Appeals.** Within thirty (30) days after the issuance of a final award by an arbitrator in accordance with these procedures, any party to such arbitration proceeding may bring an action in the appropriate United States district court to enforce, modify, or vacate the arbitration award, in accordance with 29 U.S.C. §§1401 and 1451.

M. Controlled Group/Single Employer. For purposes of this withdrawal liability policy, all corporations, trades or businesses that are under common control, as defined by ERISA and the Internal Revenue Code or in regulations of the Pension Benefit Guaranty Corporation, are considered a single employer. Notice to one member of the controlled group shall be considered notice to all such members. An entity resulting from a change in business form described in 29 U.S.C. §1381 et. seq. is considered to be the original employer.

N. Sale of Employer. Pursuant to 29 U.S.C. §§1381 or 1384, whether a withdrawal occurs upon the sale of an employer shall be determined by the Fund. The Employer shall provide the Fund with whatever information or documents the Fund deems necessary to evaluate whether there has been a stock sale or a bona fide sale of assets to an unrelated party. If any individual, entity, trade or business must post a bond or equivalent or provide the Trustees with a copy of the contract for sale in accordance with 29 U.S.C. §§1381 or 1384, the individual, entity, trade, business, or its surety must provide the Executive Administrator with a draft of the proposed bond, letter of credit, contract, or other relevant documents at least thirty (30) days before the date required for posting or providing the relevant document or other time period agreed to by the Fund. Neither the Trustees nor the Fund are responsible for damages that result from failing to provide sufficient bonds or other materials required by federal law regardless of whether drafts are provided prior to the deadline noted above.

O. Reduction and Abatement. The liability of an employer for a withdrawal may be reduced or abated in accordance with 29 U.S.C. §§1386 and 1387 and the applicable PBGC regulations.

P. Non-payment by Withdrawn Employer. Non-payment by a Withdrawn Employer of any amounts due shall not relieve any other employer from its obligation to make payment.

7. Policies Concerning Disclosure of Information

A. General Mandatory Disclosures

1. Upon receipt of a written request from an employer, the Executive Administrator shall make available the following documents together with any amendments or restatements thereto: (a) Agreements and Declarations

of Trust of the Fund; and (b) the Policies and Procedures Concerning Contributing Employers.

2. Upon receipt of a written request from an employer on or after January 1, 2008, the Executive Administrator shall furnish copies of the following documents within thirty (30) days:
 - (a) Any periodic actuarial report (including any sensitivity testing) received by the Fund for any plan year which has been in the Fund's possession for at least thirty (30) days;
 - (b) Any quarterly, semi-annual, or annual financial report prepared by any investment manager, advisor, or other fiduciary which has been in the Fund's possession for at least thirty (30) days; and
 - (c) Any application filed with the Secretary of Treasury requesting an extension of amortization periods and any response to such application.

In disclosing the information and/or documents listed in Section 7(A)(2), the Executive Administrator shall redact any individually identifiable information regarding any plan participant, beneficiary, employee, fiduciary, or contributing employer together with any proprietary information regarding the Fund, any contributing employer, or entity providing services to the Fund. The Executive Administrator may provide the response(s) in written, electronic, or other appropriate form if the form is reasonably accessible to the employer requesting the information. No employer is entitled to receive more than one copy of a document described in Section 7(A)(2) more than once during any consecutive twelve (12) month period.

B. Mandatory Disclosures Concerning Withdrawal Liability Information.

1. Employer Withdrawal Liability Information Requests.
 - (a) A contributing employer's requests for withdrawal liability information, including, but not limited to, a request for an estimate of its withdrawal liability, must be made in writing and delivered to the Executive Administrator who will respond to the request on behalf of the Trustees. The Executive Administrator may provide

the information in written, electronic, or other appropriate form if the form is reasonably accessible to the employer requesting the information. The Executive Administrator may require a reasonable charge to cover copying, mailing, and other costs of furnishing the information to the employer.

(b) For the first estimate requested, the Plan will charge the employer \$500. The employer will be charged \$150 for each estimate requested in subsequent years. When the Executive Administrator provides the employer with an explanation of how such withdrawal liability is determined, the explanation will include the actuarial assumptions and methods used to determine the value of the plan liabilities and assets, the data regarding employer contributions, unfunded vested benefits, annual changes in the Plan's unfunded vested benefits, and the application of any relevant limitations on the estimated withdrawal liability. The Fund will give general information for an employer to calculate its own withdrawal liability upon written request.

(c) The Executive Administrator shall provide the information described in Sections 7(B)(1) within one hundred eighty (180) days after the request. The employer is not entitled to receive more than one (1) estimate or equivalent response to the request for withdrawal liability information during any consecutive twelve (12) month period.

2. **Fund Withdrawal Liability Information Requests.** Employers, whether they have withdrawn or not, shall within thirty (30) days after a written request from the Executive Administrator, furnish such information, documents or other materials as the Executive Administrator, in his or her discretion, determines to be necessary to enable the Executive Administrator to comply with ERISA, the Plan, and/or these policies and procedures.

C. Permissive Disclosures.

The Executive Administrator shall not disclose any other books and records to employers, except upon the approval of the Trustees, which disclosure and

approval shall be granted in the sole and exclusive discretion of the Trustees and upon such terms as they deem appropriate. Should the Trustees grant an employer's request for records under this Permissive Disclosure sub-section, the Executive Administrator shall impose a reasonable charge for the cost of furnishing such records, including, but not limited to, reproduction costs, handling and/or postage charges.

8. Miscellaneous Policies

- A. All questions or disputes relating to the interpretation, meaning and/or application of these policies and procedures shall be finally and exclusively resolved by the Trustees, in their sole discretion, in the performance of their fiduciary obligations to the Fund's participants and beneficiaries, and in the protection of the financial integrity and actuarial soundness of the Fund and the efficient and effective administration of the Fund.
- B. Failure by the Trustees to adhere to any provision provided herein shall not abrogate, alter, or amend any other provision, duty or requirement of this Policy and shall not constitute a waiver by the Trustees. Nothing contained herein, or absent herein, shall relieve a contributing or Withdrawn Employer of any obligation under ERISA or other applicable law, regulation or Fund policy. In addition, failure to follow any provision of these policies and procedures shall not be deemed a failure to follow the terms of any plan of benefits.
- C. If any provision of these policies and procedures shall be held illegal or invalid, such illegality or invalidity shall not affect the remaining provisions, but shall be fully severable, and these policies and procedures shall be construed and administered as if said illegal and invalid provision had never been included herein.
- D. The headings and other organizational features contained in these policies and procedures are for the convenience of the Trustees; the headings and other organizational features should not be used to interpret or apply these policies and procedures.
- E. This policy may be terminated, amended, or otherwise modified without notice in any manner by the Trustees in their sole and exclusive discretion.

Re: YRC Worldwide – Controlled Group
Estimated Withdrawal Liability as of January 31, 2023

Dear Kevin:

The enclosed exhibits show the *estimated* withdrawal liability assessment for the above named employer based upon a withdrawal during the Plan Year ending January 31, 2024. Our calculations are based on the present value of vested benefits and *estimated* assets as of January 31, 2023, and contribution information as provided by the Fund Office.

		<u>Reference</u>	<u>ERISA</u>
A. Total net assessment:	\$245,791,148	Exhibit II, Line 7	§4211
B. 80 Quarterly Payments of:	\$647,056	Exhibit III, Line 11	§4219

Pursuant to IRC §432(g)(3), we have excluded contribution rate increases after 1/31/2015 when calculating the highest contribution rate in the past ten years under ERISA §4219. The quarterly payments are based on the employer's highest contribution rate prior to that date of \$1.8238 per hour per the Fund Office.

The assumptions used are those detailed in the February 1, 2023 actuarial valuation.

Please contact me if you have any questions.

Sincerely,

Craig Voelker, FSA, EA

Re: Employer Withdrawal Liability *Estimate* – YRC Worldwide

Date: September 7, 2023

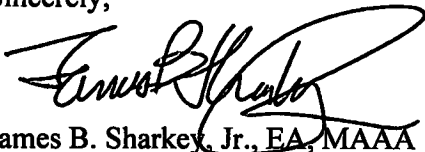

Dear Diane:

We have *estimated* the employer withdrawal liability for YRC Worldwide to be approximately \$217,160,000. This estimated employer withdrawal liability could be satisfied by remitting twenty (20) annual payments of approximately \$2,053,982 per year. These amounts are based upon a withdrawal in the Plan Year ended February 28, 2024. Currently, the Plan's unfunded vested benefits are approximately \$507,921,000, calculated using the mandated mass withdrawal interest rates under ARPA and our understanding of the asset phase-in rules of ERISA §4262(g).

This determination was based on the pension contribution information provided by the Fund Office for both YRC as well as the total Pension Fund. Note the calculation of YRC's portion of the unfunded bested benefits may change once the valuation is final. *However, we do not expect the annual payment to change.* We would need to revise this estimate for a complete withdrawal occurring after February 28, 2024.

If any of this data provided to our office were to change, we would need to revisit our calculation. If upon review you have any questions, please do not hesitate to contact me.

Sincerely,

James B. Sharkey, Jr., EA, MAAA
